Buy tools

Replacement: fuel filter – VW Golf VI Van (5K1_). Tip:

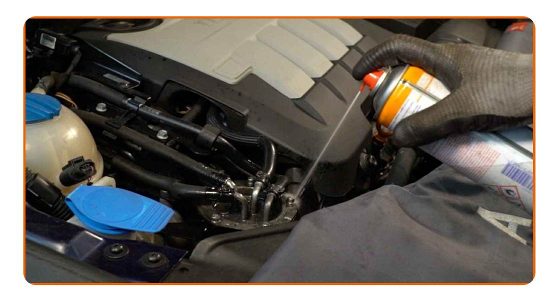

- Ensure adequate ventilation of the workplace. Fuel vapors are poisonous.
- All work should be done with the engine stopped.

REPLACEMENT: FUEL FILTER – VW GOLF VI VAN (5K1_). USE THE FOLLOWING PROCEDURE:

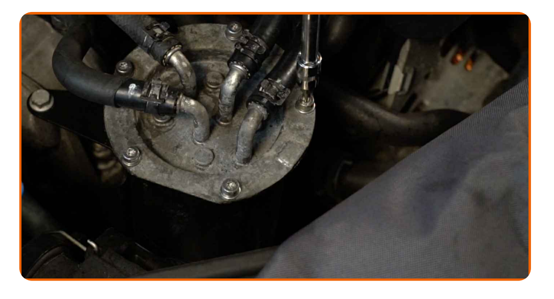

1 Open the bonnet.

2 Use a fender protection cover to prevent damaging paintwork and plastic parts of the car.

3 Clean the fuel filter. Use all-purpose cleaning spray.

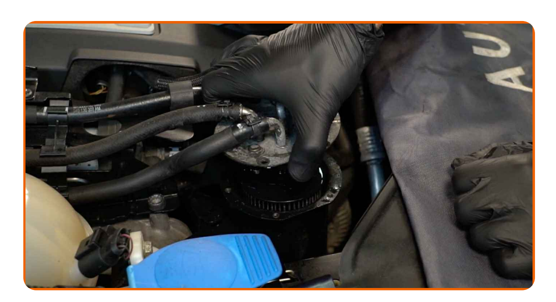

4 Unscrew the fasteners of the fuel filter housing cover. Use Torx T20. Use a ratchet wrench.

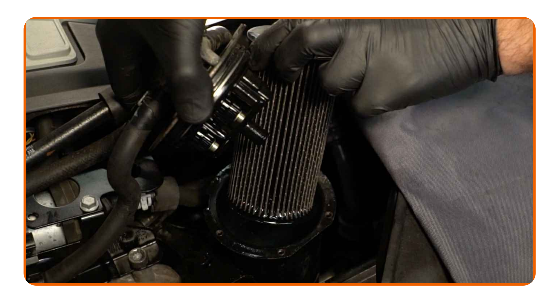

5 Lift the fuel filter cover up a little. Use a crowbar.

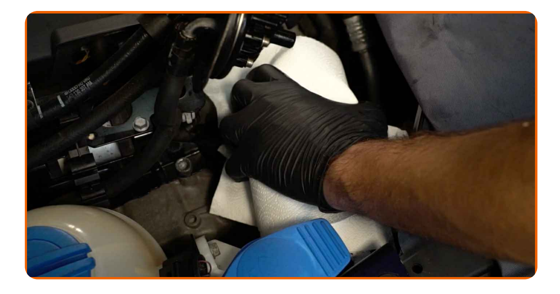

6 Remove the fuel filter.

7 Put the old filter cartridge in the container.

8 Cover the fuel filter housing with a microfibre cloth to prevent dirt and foreign objects from getting into the system.

9 Clean the fuel filter housing and the cover. Use all-purpose cleaning spray.

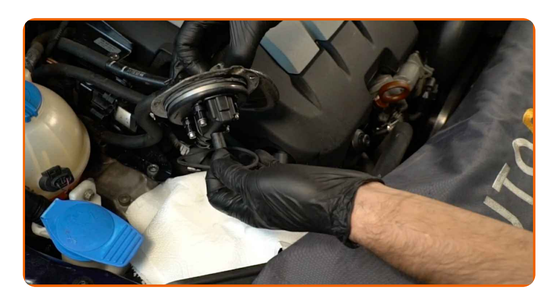

10 Remove the rubber strip. Use a flat screwdriver.

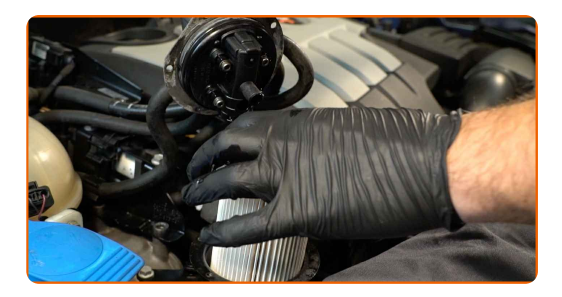

11 Install the rubber strip.

12 Remove the microfibre cloth from the fuel filter housing.

13 Install a new fuel filter.

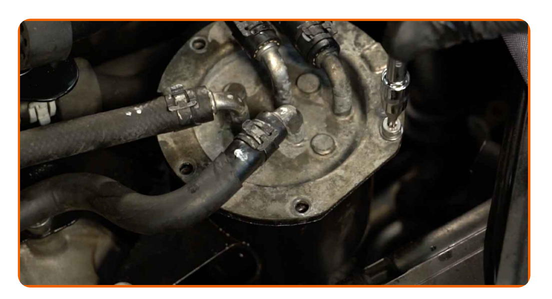

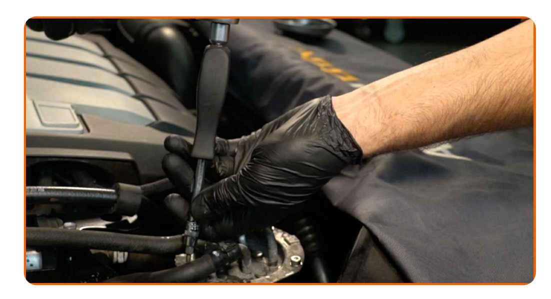

Replacement: fuel filter – VW Golf VI Van (5K1_). Professionals recommend:

- Make sure that the fuel filter is positioned correctly. Consider the fuel flow direction mark.
- During installation, take care to prevent dust and dirt from getting into the fuel filter housing.
- VW Golf VI Van (5K1_) – It's important to only use high-quality filters.

14 Install and tighten the cap of the fuel filter housing. Use Torx T20. Use a ratchet wrench.

15 Tighten the fasteners of the fuel filter housing cover. Use Torx T20. Use a ratchet wrench. Use a torque wrench. Tighten it to 9 nm torque.

AUTODOC recommends:

- Before starting off, switch the ignition on and off several times. This should be done to activate the fuel pump to make it pump fuel through the fuel system.

16 Run the engine for a few minutes. This is necessary in order to make sure that the component operates properly.

17 Shut off the engine.

18 Remove the fender protection cover.

19 Close the hood.

Replacement: fuel filter – VW Golf VI Van (5K1_). AUTODOC recommends:

- To protect the environment from pollution, be sure to dispose of the used filters at special collection points.

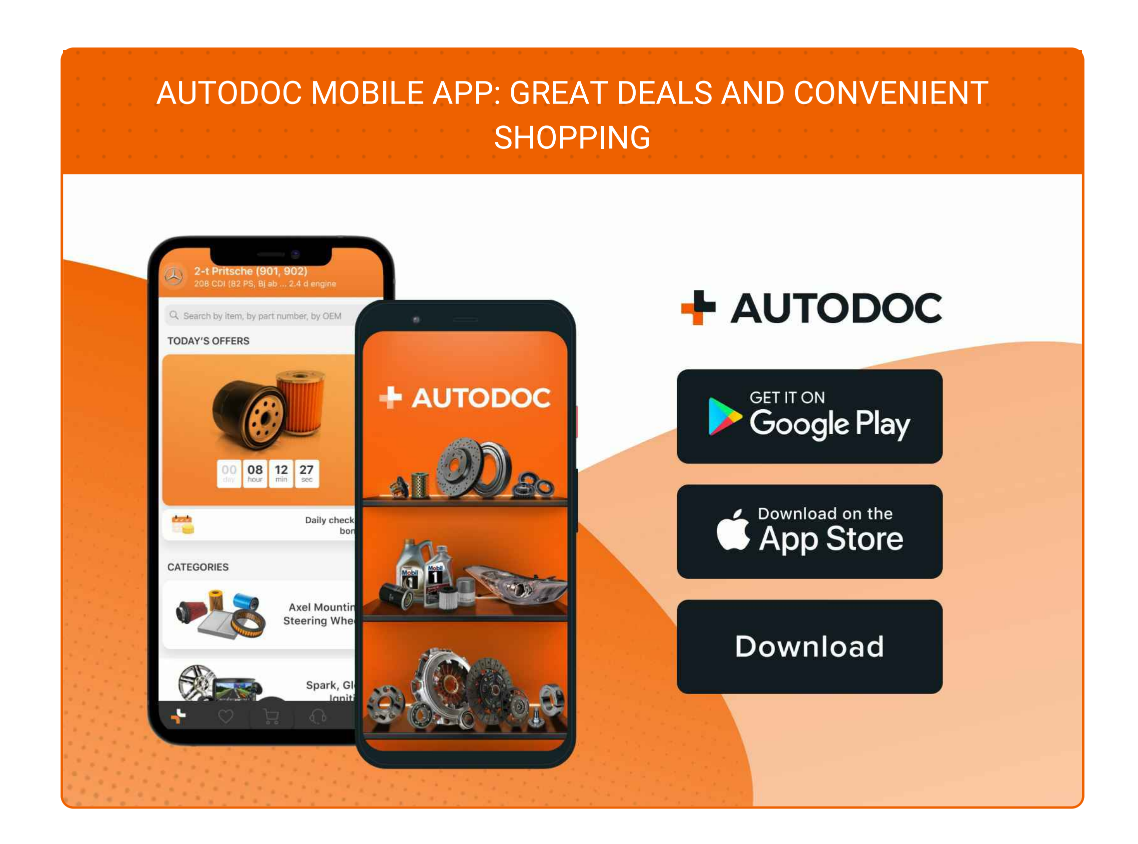

WELL DONE!
